## **MUSIC SCHOLARSHIP EXAMINATION**

St Andrew's School for Girls is one of the country's leading girl's schools and has been for over a century. The school offers Music Scholarships to girls of exceptional musical ability entering Grade 8 in 2023. These are awarded on the results of a practical and theoretical examination which will be conducted on **Friday 4 March 2022**, at St Andrew's School in Senderwood, Bedfordview.

Candidates are considered for a Music Scholarship at an internal examination conducted by a panel of the music staff. Scholarships are awarded on merit only and candidates' academic results will be reviewed alongside their musical ability. Candidates are required to take subject music in Grades 10-12 and to be an active member of two music department ensembles – orchestra, marimba and/or choir. Scholarships are reviewed annually and may be withdrawn if necessary. Successful candidates are discussed at a scholarship meeting chaired by the Head of the School before an offer is made. Scholarships are not necessarily awarded if there are no suitable candidates.

If your daughter is one of her school's top music achievers and you would like her to continue her education in an outstanding academic and cultural environment, please complete the form on the last page and return to Ms S Mzinyathi at [admissions@standrews.co.za](mailto:admissions@standrews.co.za).

We look forward to hearing from you before **Thursday 10 February 2022**.

### **MUSIC SCHOLARSHIP REQUIREMENTS**

Candidates will be asked to perform a selection of their technical requirements. Please bring a full list of the requirements – these can normally be found at the back of the exam book.
